einigr anyone, no one), fr. *ān* one + -ig -y - more at ONE]
1: one indifferently out of more than two: one or some in-
discriminately of whatever kind: a: one or another: this,
that, or the other - used as a function word esp. in inter-
rogative and conditional expressions to indicate one that is
not a particular or definite individual of the given category
but whichever one chance may select (did you experience ~
trouble) (if ~ defect appears) (ask ~ man you meet) b: one,
no matter what one: EVERY - used as a function word esp. in
assertions and denials to indicate one that is selected without
restriction or limitation of choice (~ child would know that)
(forbidden to enter ~ house) c: one or some of whatever
kind or sort; esp: one or some however imperfect - used as
a function word to indicate one that is selected with indif-
ference to quality (~ plan is better than no plan) 2: one,
some, or all indiscriminately of whatever quantity: a: one
or more: not none - used as a function word to indicate a
positive but undetermined number or amount (I can't find
~ stamps) (have you ~ money) b: ALL - used as a func-
tion word to indicate the maximum or whole of a number or
quantity (give me ~ letters you find) (he needs ~ help he
can get) c: a or some no matter how great or small - used
as a function word to indicate what is considered despite its
quantity or extent (determined to win at ~ cost) (it is good
of you to pay ~ attention to him) 3 a: great, unmeasured,
or unlimited in amount, quantity, number, time, or extent
: up to whatever measure may be needed or desired (the falls
can produce ~ quantity of water power) (could have seen
him ~ time last week) b: appreciably or at all large, pro-
longed, or extended in amount, quantity, time, or extent
